The first part of the paper
 is devoted to a general
 introduction of the subject
 and a statement of the
 objects of the present
 investigation. It is then
 shown that the problem
 is of great importance
 and that it has not
 been completely solved
 before. The author then
 proceeds to give a
 detailed account of the
 methods employed in the
 investigation, and of the
 results obtained. It is
 found that the problem
 is more complicated
 than was at first
 supposed, and that the
 solution requires a
 more extensive use of
 the calculus than was
 previously known. The
 author then gives a
 summary of the results
 obtained, and a list of
 the references.

The following information is about all we know at present about Archibald and Susannah Everett ;

His obituary is as follows--- " Mr. Everett was a native of OHIO. He came to Polk County 37 years ago and has been living most of the time near Runnells, and a few years ago he moved to the city. (Dee Moines) He was a public spirited citizen and was always friendly to the cause of education. Many years ago he furnished the money from his private funds to build the first school house in Camp Township, Polk County. Had he lived until the 17th of this month he would have been 71 yrs old. He made a will giving to the HOMELESS of FRIENDLESS CHILDREN of Des Moines, a house and two lots on West 16th St, near School St. The balance of his property, which is considerable is left to his niece Mary Melissa Rison, and her two daughters of Camp Township. *****

The above informs us he probably was born in OHIO- That he moved to the Camp Township vicinity about 1851 Nothing is mentioned of his wife preceeding him in death and since no children were mentioned from this marriage and that his will provided for EDUCATION and his niece and her two girls(Mary Melissa Rison, Etta and Arvilla the 2 daughters) it leads one to believe that they likely had no children of their own. It is possible that they might have had children that died. *****

A descendant of Abraham Sinnard b1791, his 5th child a girl Belinda Sinnard b 1820 married BARZILLA Clark PELHAM in 1836- they had 5 children--- Belinda's great Grand-daughter now Ethel Deitch of Kirksville, Iowa furnished information pertaining to SUSANAH EVERETT--- A William W. Spurgeon in writing the history of Richland Twp Wapello County, Iowa remarked that his first teacher had been SUSANAH SINNARD. *****

Since Susannah and Archibald were married on 3/26/1854, and from the obituary above written at the time of his death 1888 that he came to Polk County 37 yrs ago which would be 1851- they could have lived somewhere else between 1851 and 1854 before going to Polk County- (of course the obituary could have erred in these 3 yrs.) ?????

There was an S.O.EVERETT that signed Abraham Sinnard's papers in connection with his War of 1812 pension--- Possibly this could be "Uncle Archie's" father- There was an E. Everett that ran a store in Kirksville, Iowa in this period *****

NO WHERE have I found IOWA Census records of ARCHIBALD and SUSANAH--- Possibly a study of them IF found might throw some light on the " off spring" (if any) of these two. -- Mr. Spurgeons recollection and remarks about her as a teacher and the fact that they supported Education in Polk County with substantial support was very interesting to me--(M.T.Sinnard)

They raised MARY MELISSA SLUTTER (RISON) and maybe other orphaned children of Susannah's sisters & brothers

12 children of Abraham Sinnard 1791 Ky

THOMAS JEFFERSON SINNARD b. June 12, 1811 d. 3/17/1875
First child of Abraham Sinnard 1791 and Mary Ann (Lewis) Sinnard b. 1792

THOMAS J. SINNARD was born on June 12, 1811 in Ohio. We do not know at present if his birth took place in Clement County where his parents were married Sept. 2, 1810 or if he was born in Warren, Butler or another County in this south-west part of Ohio. Many Sinnard's lived in this area at that time. His Uncle William Sinnard b. 1785 in Pennsylvania lived in or around LEBANON, Ohio in Warren County.

A year after Thomas J. was born his father enlisted in the Army and served in the War of 1812. He was eight years old when he moved with his parents to Madison County Illinois on the 14th of October 1819. Madison County was divided soon after this and SANGAMON COUNTY was designated for the part they lived in - just n.w. of Springfield. At the time the family moved from Ohio the following brothers and sisters had been born; Thomas J., 1811, John LEWIS Sinnard 1813, Elizabeth R 1815 and William born 1818.

Thomas J. spent his early years in Cartwright Township, Sangamon County. He married Juliana A. Lambert on October 4, 1844. Juliana was born October 29, 1820 in Tazewell County VIRGINIA in the western tip of the State. She was called Angelina sometimes. She was the second child of a family of seven children born to Philip Lambert b. 8/13/1791 and Sarah Wagoner (sp?) Her Mother died in 1843 around Eddyville, or Kirksville in Wapello County, Iowa. Sarah Wagoner (Lambert) was born near McKenney, Virginia and she was of Dutch blood. I recall my Father and Mother talking about pictures of Thomas J. and his wife Juliana. They mentioned she had exceptionally high cheek bones and quite dark being 1/8 Iroquois Indian. Juliana's father died June 28, 1863 and he is buried in the Sandyville, Iowa Cemetery in the same burial lot with Thomas J. and Juliana. Philip Lambert has a Military tombstone showing he served in the 112th Virginia Militia during the War of 1812. I believe Lambert is an English name.

I do not know whether Thomas J. and Juliana were married back in Illinois neighborhood, or if their marriage took place in Iowa (I think the latter) Thomas J. and his brother John Lewis Sinnard went to Iowa in 1843, so he likely met Juliana in Iowa Territory as Juliana's Mother died in Wapello County in 1843. Thomas J. located in the north-west part of Wapello County close to the Mahaska line.

In 1930 Rebecca Ann Sinnard GOSE b. 2/7/1847 was asked about her father and grandparents. She remarked her grandfather Abraham Sinnard b. 1791 had a brother William who had lived in Ohio and died in Illinois. She spoke of no other brothers and sisters but there could have been. In talking about her parents she said the first child was named Isaac Newton Sinnard who died an infant. The second child was herself Rebecca Ann born 2/7/1847 followed by Taylor Winfield born Nov. 23, 1848 and Philip King Sinnard born April 3, 1851 in Warren County. My grandfather Taylor Sinnard (T.W.) told me numerous times he was born in Mahaska County. The last child was Juliana born May 1854 and died 1/31/1855. She is buried in the same plot with her folks and grandfather Lambert. I have often wondered where Thomas J.'s first child Isaac Newton Sinnard back in Wapello County, Iowa is buried, possibly Mahaska County. This is an old section of Iowa. Maybe some day we will learn where this child is buried.

Thomas J. and his family moved to Warren County in 1848. On May 5, 1849 he Homesteaded 240 acres-- 160 acres in Section 11 Union Township & 80 acres in Sec. 2. It is now owned by descendants. He was a singing master. Reverend Lansing Harris preached the first service in Union Twp. in Thomas J.'s house in 1851. He was politically inclined as in July 1850 a County Board appointed Thomas J., H.A. Lambert (likely a son of Philip) and James Carpenter as viewers for new roads. It was either Thomas J. or Taylor W. that allotted plots of ground of the Homestead land for a public school and the Otterbein United Brethren church. Neither of them remain however.

Both Mrs Hattie Sinnard Pashley (daughter of Abraham Jr b. 1827) and Catherine Bennett Sinnard (wife of Elvin Sinnard b. 1885 son of Philip King Sinnard son of Thomas J.) understood that Thomas J. Sinnard had the full name THOMAS JEFFERSON SINNARD. It sounds reasonable that our ancestor could be named after Thomas Jefferson third President of the United States (1801-1809) just prior to our Thomas's birth in 1811.

When Thomas J. applied for homesteading in Warren County he signed the papers Thomas J.-- his tombstone reads Thomas J.-- and the family Bible reads Thomas J.-- and several places in the Warren County History he is mentioned as Thomas J.

My father Thomas James Sinnard b. Jan. 9, 1873 was only two years old when his grandfather died March 17, 1875 so he had no memory of him. He spoke of his Grandmother Juliana (or Angelina). He was the first grand-son and was eleven when she died in 1884. She was very fond of the grandchildren. She wove the "homespun" cloth used in his pants or "jeans" and made them for him and the others. She wove beautiful coverlets and quilts. She died in 1884.

JOHN LEWIS SINNARD bDec 14, 1813-d. April 4, 1886

John L. Sinnard was born Dec. 14, 1813 in south-west Ohio (likely either Warren, Clermont or Butler County) He was the second child of Abraham b1791 and Mary Ann (Lewis) Sinnard. When he was six years old in 1819 he moved with his parents, and his older brother Thomas J., and younger sister and brother, Elizabeth R. and William to Cartwright Township, Sangamon County, Ill. (Sangamon County was formed from Madison County in 1820)

He grew up in this northwest part of the County. In 1836 he moved to New Lexington, Van Buren County, Iowa. The name of this community was changed to Bonaparte 1/19/1842 (It is on the Des Moines River a town of less than 600 people in 1966) Iowa was a territory until it was admitted into the Union in 1846

He returned to Sangamon County, Ill. and on April 6, 1837 he married Amanda Malvina Sinnard b. 6/8/1817 Amanda was the 6th child of William Sinnard b1785 Penn. John and his wife moved to Iowa soon after this and in 1838 a son Courtland CHADBURN Sinnard was born. His middle name was his grand-mother's maiden name. (Mary Chadburn b. 1795 in Mass.) John and his wife parted and Amanda returned to Illinois with their son and on 3/6/1846 she married John Hand. Courtland was raised by them and with his step-brother John Hand. (Thomas Hand her husband.)

John L. Sinnard married Polly Ann Rubel Sept. 12, 1843 in Van Buren County, Iowa, and soon afterwards moved to Wapello County. His folks went there in 1845-- Polly Rubel was a native of eastern part of Tenn. There were no children from this union.

In the spring of 1868 John L. and "Aunt Polly" moved to Oskaloosa, Kansas. (named after Oskaloosa, Iowa I was told) He continued his farming and stock raising in Jefferson County. and was very successful. His niece Hattie (Sinnard) Pashley, who was raised in this vicinity spoke of him frequently. She said he was a very handsome man and an extremely talented horseman. Abraham Sinnard JR. b1827, John L.'s brother had moved to Kansas Territory in 1854. Kansas became a State January 29, 1861

Their home was in the outskirts of Oskaloosa. John and Polly were closely associated with the Methodist Episcopal Church. I do not know yet when Polly died, but John L. Sinnard died April 4th 1886

John's son by his first marriage went to Kansas as a young man and lived around Oskaloosa. Later on around Orlando an Perry, Oklahoma before he went to Pleasanton Kansas where Courtland's son John L. b1872 had been living. This is where Courtland died and is buried.

The following story has to do with A SINNARD back in Van Buren County, Iowa in 1837 I do not know if this was JOHN or some other Sinnard but you might feel it interesting

" Mr. McKemey was looking at the stage coach that was coming into the town (new Lexington then) It was very heavily loaded. There were eleven Indians in the stage and an interpreter who was riding along side of the driver. Mr. McKemey's attention was given to the strange conduct of the driver. In 1837 the brake-lock had not been invented, and it was necessary to stop and chain a wheel before descending a hill. In this instance the strap on one of the horses had broken, and the street being very steep the driver endeavored to control the speed by cramping the wheels, and thus breaking the descent, just the reverse of what a ship does when tacking against the wind. Mr. McKemey saw that the coach must upset, and sure enough just as it came opposite him it lost its balance and emptied its load of Indians and driver and interpreter at Mr. McKemey's feet. One of the Indians leaped to his feet and in an excited manner exclaimed, " This breaks the contract, this breaks the contract" It was Black Hawk the Indian Chief. Later Mr. McKemey was at the Indian village opposite Iowaville, and the interpreter introduced him to Black Hawk. The young chief could not converse in English, but when he learned that Mr. McKemey had seen the accident to the stage coach he became very friendly and affable.

Black Hawk died in 1838, and his people buried him fully equipped for the warpath, in a sitting position. A certain Doctor Turner of Keokuk, Ia. conceived the detestable scheme of stealing the chief's body and of obtaining money by exhibiting it. After exhuming the body he boxed it and hired Robert Moore, ~~now~~ a well known farmer of Glasgow, then living at Lexington, on the Des Moines river, to take the box to Keokuk for him. Moore was going with an empty wagon to procure merchandise for a man named SINNARD, and took the box to Keokuk, entirely ignorant of what it contained. When this Doctor Turner reached St. Louis with his stolen corpse he found himself despised by most everyone. The Indians grieved so much over their great father that the government officials interested themselves in recovering the remains, with the intention of recovering and restoring them to the Indians, but they were committed to the keeping of a Doctor in Quincy, Ill. who forwarded them to J.C. Hall of Burlington, who placed them in a box and delivered to Dr. Hicox; but they were unfortunately consumed in a fire that burned the office, and of course could not be returned to the Indians.

(the above narration comes from an Iowa Historical Record) -- I find NO Glasgow or Iowaville as mentioned on 1966 State maps so likely these towns ceased long ago.

ABE's 3rd Child- ELIZABETH R. SINNARD b.6/24/1815. When she was 4 years old traveled with her folks to Cartwright Twn., Sangamon County, Ill. Her girlhood was spent there where she met and married S.R. Robinson on Dec. 25, 1834 (19 1/2 years old) They had two children: John D. Robinson b9/28/1835 and Mary L. b5/28/1841---- Elizabeth died Aug. 15, 1843 her son being 8, and daughter only two. She likely is buried back in the Springfield vicinity. The Wapello, Iowa Census for 1850 reveals both children were living with Abe Sinnard their grandfather, In 1860 Mary was still living with him, evidently son John was on his own. Mary died in 1/23/1864 never married. Elizabeth's son John D. Robinson married and had children, we have a record of one of his son's family Harry Robinson---- What happened to Elizabeth's husband S.R. Robinson I do not know. (Aunt Hattie Pashley had among her notes--Jon Robinson married Aunt Emma Sinnard's sister 2/12/1871 (WHO??) She acquired this information from Rebecca Sinnard (Goso) grand-daughter of Abe 1791.) On page 80 of Sangamon County, Ill. census I found a Anna A. Robinson 71 yrs old born in Maryland. In her household was Arnold R. 40 yrs old a clerk, Eliza 33 born N.Y., and Priscilla 34 b.N.Y.--- This Anna Robinson MIGHT be the mother of S.R. Robinson husband of Elizabeth.--(In Vol II D.A.R. Sangamon County Illinois there is a record made of S.R. Robinson and Elizabeth Sinnard marriage) WSP

ABE's 4th Child- WILLIAM SINNARD b. June 1, 1818 Ohio. He was one year old when his parents left Ohio for Ill. He died January 13, 1833, not quite 15 years old. He likely is buried in Cartwright Twn. Sangamon County (n.w. corner) in either a family cemetery or a cemetery close to home.---IT would be interesting to find his burial spot.---

ABE's 5th Child- BELINDA SINNARD b. Feb. 14, 1820 Cartwright Twn. Sangamon. First child of Abe's to be born in Illinois. On April 2, 1836 when 16 years old she married Barzilla Clark Pelham. They had five children-- William S. born 1838, Abraham 1841, Armina 1843, Asbury Lewis 1846, and Charles 1849. Barzilla died August 31, 1854 and Belinda in 1870-- Both are buried in the Kirkville, Iowa cemetery. Barzilla was a cooper by trade and became a farmer later in life. They went to Iowa in 1843 and stayed at the home of General Street at Agency, 5 miles east of Ottumwa. Later they moved around Eddyville and stayed with a Mr Eddy.---- Mr Eddy was an Indian trader who settled around Eddyville in 1842- he formerly lived in WARREN COUNTY, OHIO* where many Sinnard's lived from 1790-1850. Belinda's husband Barzilla was born in Ohio. We have considerable information on the Asbury Lewis Pelham family; and HOPE to learn from Mrs. Ed DEITCH of Kirkville, Ia. about other Pelhams. She descends from Wm. S. Pelham I found MANY Pelham's in 1820 and 1830 Census records of Butler, Greene County, Ohio The 1850 Census of Greene County, NEW YORK shows an Eliza Pelham and family, a son with the name BARZILLA is shown which seems interesting to develop.

ABE's 6th Child-- SUSANAH C. SINNARD b. Dec 23, 1821, Sangamon County, Ill. The BIBLE record reveals she married an A. Everett on March 26, 1854. Understand he was referred to as "Archie". Both are buried in Louren sp?, Camp Township, Polk County, Iowa cemetery. We do not know when or where Archie was born or when he or his wife Susanah died. Neither do we know for sure the names of their children. Susanah and her family likely lived in Wapello and Polk Counties.-- There was a S.O. Everett that signed a document in regard to Abraham Sinnard's pension some time after 1871 (War of 1812) He might be a son of Belinda's. The names Nancy and Jane were among notes of Mrs Hattie Sinnard Pashley in connection with Belinda- others mentioned were Melissa, Geo., Clinton Francis and twins were mentioned----- There is some confusion for Mary Ann Sinnard born 1823 next youngest sister of Susanah had children with these names as you will note in the following paragraph. IOWA census records might straighten us out (Maryann her sister referred to above and following as well died real young as did her husband and understand some of Mary Ann SMITH's children were taken by Susanah and UNCLE ARCHIE to raise.

ABE's 7th Child-- MARY ANN SINNARD b. Oct. 27, 1823, Sangamon County, Ill. She married William Smith Nov. 27/1840 when she was a little over 17 yrs old. Their five children were George LEWIS Smith 1845, Melissa, Clinton, Francis N b1852 and Abraham C b1856 Mary's husband died quite young June 5, 1858 and she died the following Sept 17, 1858 The oldest William was 13 and Abraham C was only 2. The 1860 Wapello County, Iowa Census showed Francis N. 8, and Abraham C. Smith 4 living with their grandfather Abraham Sinnard b1791 and his daughter Alice Jane Sinnard. -- Abraham's wife had died in 1858. Melissa went to live with her Aunt Susanah (Sinnard) Everett. NOTHING as yet learned of the other orphaned children of Mary Ann and William Smith.

ABE's 8th Child-- CYRUS SINNARD b. Oct. 15, 1825 Sangamon County, Ill--- His early years were spent in Cartwright Twn. Cyrus and his next youngest brother Abraham J b1827 were in charge of moving the livestock from their Illinois home to the new home in Wapello County in 1845. On Feb. 28, 1850 he married Mary Ann Kirkpatrick, eldest daughter of John and Mary Kirkpatrick. Cyrus and Mary Ann had a daughter Charlotte born around 1852. On January 9th, 1856 Cyrus's wife died. Charlotte went to live with her grandparents the John Kirkpatricks. Mrs Ed Deitch of Kirkville, Iowa (descendant of Belinda Sinnard b1820, sister of Cyrus) thinks Charlotte married a Mr McCutrell-- this is all we know of Charlotte. Mary Ann Kirkpatrick's people were born in Quernsey County, Ohio.

Cyrus served as Sergeant of Company "F", 7th Iowa Infantry reg Volunteers from July 24, 1861 thru Aug. 2, 1864. He was the only son of Abraham Sinnard 1798 that served in the CIVIL WAR-- What we know about Cyrus was learned thru his descendants, and his Service Record in Washington D.C. which my niece Lucy Sinnard Gilling read and recorded in 1962-- He was 5'10" tall, light complexion, gray hair and gray eyes. In 1863 he contracted a severe cold while in the service which affected his later health. The record shows he was divorced from his spouse Martha A. March 9, 1864. He married Emily Daines Feb. 22, 1866 at the Odd Fellows Hall, Kirkville, Iowa. To this union were four children. Laura born Dec 1867 who married Emot Dixon 1897; Annie born May 12, 1872 who married U.G. Bolibaugh Dec 1897; Lamar Payton born June 17 1870 who married Etta Duke in 1893; and Roy O born July 14, 1877 who married Jessie Grogg. Mrs Alfred Sinnard Pashley told me that Cyrus at one time moved to Oskaloosa KANSAS where his brother Abraham Sinnard b1827 had moved to in 1858. He bought a property lived there awhile then returned to the Kirkville, Iowa vicinity. The History of Wapello County, Ia, Western Historical Co 1873 reveals Cyrus Sinnard was the owner of a store. Referred to as a "drug" store; it was actually the general store, combination store of varied merchandise.

Cyrus died July 18, 1889--A Military Tombstone is in the Kirkville, Ia cemetery showing his organization, dates etc. This monument is on the same burial lot as his parents. Mary Ann (Kirkpatrick) who died in 1856 is also buried here. Cyrus's granddaughter Frances Sinnard Cox of Rosehill, Ia wrote me he is buried there in Eddyville cemetery.

ABE's 9th Child-- ABRAHAM SINNARD Jr. b July 5, 1827 - He died Jan. 16, 1902 at Oskaloosa Kans. He married Ruth Ann Caples in Wapello County, Iowa March 7, 1849. They had nine children, four died in infancy-- There are no male descendants with the Sinnard name that are now living from their union, a number of others tho. In 1858 Abo and Ruth moved by wagon to Kansas Territory (now Jefferson County with Oskaloosa, Kans. the county seat) There four living children at that time of course were with them. Saddle Patrick, grand-daughter of Abraham's wrote me a letter in 1961 telling about a story her grandfather had told her-- "When I was young, one thing always struck me-- funny when Grandpa Abraham told about Grandmother carrying the silver money in a belt around her waist, and when they came to a hill she would get out and walk to lighten the load--- I always thought--poor Grandmother. The present site of Oskaloosa, Kansas was settled as a claim in Feb. 1855 by a Doctor James Noble. In October 1858 the county seat was located at Oskaloosa by a majority of 4 votes. During the year 1859 the town continued to flourish, and there was still a floating population. Abraham Sinnard was Sheriff of Jefferson County in 1859 being the second one. The first one was elected in 1857. C.T. Sinnard, great grand son of John L. Sinnard an older brother of Abraham 1827 who also resided in Oskaloosa Kans in these early days copied the following from a History of the County which tells of early settlers including Abo Jr.--During the dull times, in the early history of Oskaloosa, several of the prominent men organized themselves into a "Lazy Club". Among them were G.B. Carson, Thomas H. Noble, Abraham SINNARD, and W. Trapp. Carson was president for a long time. The club had rigid rules and if a member was seen to have any implement of labor, his case was promptly investigated, and if he was proven guilty of having performed any work he was expelled. The badge of distinction was a Barlow knife, which was awarded to the champion lazy man. At one time Tom Noble and ABE SINNARD were contestants. They were lying under the large oak tree by the roadside, north of town when the stage drove toward the spot where they were. Thinking it was about to run over him Noble rolled just out of the path-- SINNARD simply asked the driver to drive around-- He got the knife"

ABE's 10th Child-- Alice Jane Sinnard b. March 26, 1830 Sangamon County, Ill. According to Aunt Hattie Pashley Alice Jane never married. She took over the management of her father's home after her mother died Jan 9, 1858. Her father died July 27, 1871 and she went to live with her nephew George LEWIS Smith at Ulysses, Nebraska. George was the oldest child of Mary Ann Sinnard Smith b1823. George you will note was just 15 years younger than his Aunt Jane. Jane died Nov 6, 1913 and her body returned to Kirkville, Iowa where she is buried on a separate lot all by herself in this cemetery. Alice Jane had taken the Abraham Sinnard FAMILY BIBLE to Kansas with her; and it was George Lewis Smith's widow that sent Aunt Hattie Pashley the pages from this Bible on which were entered the births, deaths, marriages of the children of Abo and Mary union. Also she sent the old Deed or "Indenture" as it was called for the homestead of the lot Abraham bought back in New Richmond, Ohio on the Ohio River just east of Cincinnati, Ohio back in 1817. Roy Duke Sinnard, Cyrus's grandson has visited this location. Also among her effects was a small note book recording the costs of the materials that went into this house-- MY HOW TIMES HAVE CHANGED for costs. All these papers are very brittle with age. (according to a Wapello, County, Iowa her name is associated with a James M. Ogden, she married him according to this ???)

11th & 12th Children of ABE's--

DAVID D. SINNARD born 3/14/1832 Carterright Twp., Sangamon County, Ill. They died Jacob E. SINNARD " 3/14/1832 in infancy and we are most anxious to learn where they are buried. HELP- HELP- A.T. Sinnard 1966

Sinnard

In my search to learn about earlier Sinnard's I was quite surprised to find that the name had been spelled in MANY ways. The most frequent spellings were SINNARD, SINARD, SINNERD, SINIARD, SHINARD, SHINNARD, SYNNARD, SINYARD, SHUMARD, SHUMARD, LINNARD. Our sources of information were mainly; TAX rolls, CENSUS reports, DEEDS or Indentures, WILLS.

The name SINARD is French. Hattie Sinnard Pashley, granddaughter of Abraham Sinnard who was born in 1791 Bourbon County, Ky. wrote an Autobiography about 1909/1914. It contains 33 pages of very interesting information about her life.--- It starts out " My ancestry on my father's side came from the north of Ireland, and settled in New England shortly before the independence of the Colonies was declared. My great grandfather took sides with the Colonists, and was killed in the Revolutionary War. His comrade after the close of the War, married my great grandmother, and took her with my grandmother to Kentucky. In 1811 my grandmother was married to my grandfather who was her cousin, and they moved to Ohio, from which State grandfather enlisted in the War of 1812 leaving grandmother with a one month old boy----" I will mention parts of this Autobiography later on. Hattie was born in 1868 and died in 1963 having attained 95 years. Her mind was EXTREMELY keen. However after she wrote the Autobiography we learned from a note book record found in the old BIBLE that her Grandfather Abraham did not marry in Kentucky but took place in Clermont County, OHIO.

Aunt Hattie Pashley frequently remarked the SINNARD's were Huguenots, a designation for French protestants in the period the religious wars of France in the 16th Century. They were exiled, going to Holland, Prussia, Switzerland, Germany, British Isles. Naturally there was a language problem and understand and created unrest in being accepted so there was some movement after leaving France. By the 1700's many Huguenots were arriving in New York, Chesapeake Bay area, Virginia, and North Carolina. As a class these French exiles were skilled artisans with many skills.

In a card index at the Newberry Library here in Chicago I found this record: Chevalier de Sinard de and Countess de Sinard but this was the extent of the information given.

I have been exchanging SINNARD (various spellings) with a lady in Mississippi, and feel there is likely to be relationship way back.--- Among her records I will quote in part--

1. Chevalier de Sinard
2. James Sinard ----- married Mary Bland a French lady
3. James Sinard ---- single from North Ireland
3. James Sinard m. Mary Edmaston, an American girl (other spellings for surname are Edmiston & they had 4 children - a girl that married a ---Huff and 3 boys Jonathan, James, and Wm.(or Tm) record was abbreviated and faded - having been in pencil

She learned that Chevallier Sinard was a resident in the old Dauphin Province, south east France, Olim, (perhaps Olim was a town) as early as 1667 -----

"One story she says our Sinards went to Scotland. My Mother's story said to the British Isles of which Scotland is a part. Not too long afterwards Britain was in danger of losing her venture in the manufacture of silk and linen in North Ireland. It is a matter of history that the English Crown appealed to those HUGENOTS within her borders who were skilled Textile workers, to go to North Ireland to try to save that industry there-- One report says many Huguenots accepted this attractive offer in order to earn passage money to the American Colonies. Whether this was the case of our forbears' presence in North Ireland, we can't say,--- the last of the family Legend says: " they sailed from Dublin for America and debarked near Baltimore, Maryland. Maryland's Hall of Records say they have no record of any Sinard debarking on their shores; but they pointed out that ship loads of immi-grants were so numerous in the 1700's, that every cove on each side of Chesapeake Bay was a landing place; therefore keeping records of all those entering our land was impossible.

You can see there is quite a similarity with our knowledge about Sinnard's with what was learned from this MISSISSIPPI contact that has worked so hard on this and her other ancestors.

The earliest record of a family with our name was obtained by Mrs. Lois O'Kelly of State College, Mississippi. She learned of TWO WILLS, and obtained other pertinent information.

The WILL of ELEANOR SINNARD, Hopewell Township, York County, Pennsylvania was dated Nov. 10, 1780 and probated Nov. 21, 1780-- Executors named were Thomas GROVE, & Wm. Gemmill. The names of the children were shown in this order:

- | | |
|-------------|---------------|
| 1. JOHATHAN | 7. THOMAS |
| 2. Sarah | 8. WILLIAM |
| 3. Mary | 9. MARGRID |
| 4. Susanah | 10. Elinor |
| 5. ABRAHAM | 11. Elizabeth |
| 6. JOHN | |

Eleanora's husband preceeded her in death. His will was made the 26th of March 1764, and was probated July 31, 1766. At this time they resided in SHREWSBURY Township, York County, Penn. The name on the document read JOHN SHINARD -signed by his mark X. Evidently he was too ill, or maybe he couldn't write. Executors of his WILL were ELINOR and William Fulton-

JOHN made provision for his wife and eleven children and also included in the Will was this stipulation ---" I LAVE & BEQUEATH my FATHER HIS MAINTANCE DURING HIS LIFE "(name not shown)---

The present towns of CHANCEFORD and SHREWSBURY are south and south-east of York, Penn. YORK is about 75 miles west of PHILADELPHIA; and about 50 miles north of BALTIMORE, Maryland which is on the upper portion of Chesapeake Bay as you recall.

Sinnard

A record of MARRIAGES of the Guinston United Presbyterian Church, Chanceford Township, York County, Penn for the years 1772-1800 reveals TWO of the ELEVEN children of John and Eleanor Sinnard married into the GROVE family:

Abraham SINARD of Hopewell Twn and Elizabeth GROVE of Chanceford, were married at Widow YOUNG'S house in Chanceford Twn My 9, 1775 by Reverend James Clarkson. Witnesses were Francis GROVE and Jacob GROVE

THOMAS GROVE of Chanceford and Margaret Sinnard of Hopewell, were joined in marriage at Widow YOUNG'S house in Chanceford Twn. Ag 22, 1775 by Reverend James Clarkson- Witnesses were John LIGGET and Francis GROVE

----- WE HAVE NO PROOF of age of ELEANOR or her husband JOHN or the 11 children

It is interesting to see the way the name is spelled on the HOPEWELL TOWNSHIP YORK COUNTY, PENN. TAX record for the years 1779 thru 1783- It appears they were using the English money system.

1779	Abraham Shinard	50 acres-	2 horses-	2 cattle--	TAX	30 POUNDS-	NO shillings-	NO Pence

Note--- There were TWO ABRAHAM'S in the 1780 CENSUS- one of them is likely the 5th child of Eleanor and JOHN shown on page # 1, one wonders if maybe the other Abraham MIGHT BE the FATHER mentioned in the husbands WILL., the name was not given as you recall. ??????

Note also--- There was no JONATHAN listed on the TAX Rolls, also interesting to note is the fact too that there was NO WILLIAM shown. William was the 8th child mentioned in the WILL I found this information in the same source as the above TAX RECORD--- In 1783 the population of Hopewell Township, York County Penn was 866- contained 136 dwellings, 91 barns, 4 grist mills, 15,223 acres of cultivated land. The original settlers were generally Scotch-Irish Presbyterians. A few German settlers settled in the northern part a few years later.

Can I inject at this time that in 1965 while in Scotland I learned of a small village about 23 miles west of Aberdeen, Scotland a small village named SINNAHARD-I wonder if possibly this is where our "kin" might once have lived.

The 1st. U. S. Census was taken in 1790, and the 17 States showed a population of 3,929,214... Pennsylvania was the largest State with 434,373-- Maryland 319,728, Ky 73,677 The largest concentration of people of course lived along the coast, and communities like Hopewell Township, Penn were as we would express it today-- "Out in the sticks"-- The records in Washington D.C. for Revolutionary soldiers for Penn. is not complete. It shows no SINNARD'S (spelled various ways) However MILITIA Records kept in Harrisburg, Penn. shows the following:

ABRAHAM SINARD- Private in 5th Class, Capt James Moffet's Co, Sixth Battalion, York County Militia Return dated April 26, 1778- RESIDENCE ascribed HOPEWELL TOWNSHIP, YORK COUNTY

JOHN SHINARD Private in 3rd Class, Capt James Moffet's Co 5th Company, 6th Battalion, York County Militia-dated April 26, 1778- Residence: HOPEWELL TOWNSHIP, YORK COUNTY

JOHN SINEARD Private in York County Militia, tour of duty at CAMP SECURITY in Capt. Samuel Fulton's Company. Evidence of Muster Roll dated Sept 27, 1781

M.T.S. Note- It is likely the TWO JOHNS mentioned above are one and the same person

He evidently served two "hitches" as indicated by the dates.

THOMAS SIMYARD Private in Capt. Aquila Wile's Co., 5th Battalion, York County Militia Return dated 1780- Residence ascribed SHREWSBURY TOWNSHIP, YORK COUNTY, PENN

The 1790 or first U.S. Census reveals no Sinnard (various spellings) in YORK COUNTY however a search of other Counties and places revealed men that might be sons mentioned in JOHN & ELEANORS WILLS in YORK COUNTY, PENN.

1. Abraham Sinnard-- 1790 Census of Lucerne County, Penn-- Free white males UNDER 16 2, 1 free white male over 16, 3 females 16
2. John Senir -- 1790 Census Hopewell Township, York County, Penn. 1 male over 16, 1 female over 16
3. John Sinnard -- 1796 & 1797 BOURBON COUNTY TAX LIST- On 1800 MONTGOMERY COUNTY, KY list also for 1801 & 1802 & 1803, in 1802 it was spelled Senard
In 1805 showed in Harrison County Tax list John Sinyard and 1806 Sinnard-
In 1808 Wm. Stafford was appointed guardian to orphans of Jno Sinyard
Children's names were SALLY, DAVID, BETSY, & William
4. William Shinnard 1790 Census of Harford County, Maryland-Free white males over 16 1, 5 females 16
Harford County Maryland is about 25 miles south from Chanceford, Penn.
5. Thomas SYNARD BOURBON COUNTY, KENTUCKY 3/1791 TAX LIST are the same person
6. Thomas Sinyard BOURBON COUNTY, KENTUCKY Jan 10, 1792 TAX LIST (I FEEL SURE THESE TWO THOMAS'S
7. JONATHAN ????? NO trace or any Jonathan in Pennsylvania, or Kentucky area that we could find
BUT- there was a Jonathan SINYARD in 1790 Census of Spartanburg, South Carolina
2 males over 16, 1 male under 16 & 4 females
There was also a James Sinyard

ABRAHAM SINNARD-- Born June 21, 1791 Bourbon County, Kentucky- died July 27, 1871
Wapello County, Iowa. He married Mary Ann Lewis Sept. 2, 1810 in
Clermont County, O. Mary was born May 22, 1792 Ky- died Jan 9, 1858 I.

"ABRAHAM SINNARD was born 6/21/1791 on Hinkston Creek, Millersburg, Bourbon County State
of Kentucky-- Moved to OHIO on the 16th of May 1796 being 4 years 10 months and 26 days
old-- Was married on the 2nd Day of September 1810 being 19 years and 2 months and 11
days old and MOVED to Illinois on the 14th day of October 1819 being then 28 years
3 months and 21 days old"

In 1925 Aunt Hattie Sinnard Pashley contacted the widow of a cousin of hers. Mary Ann
Sinnard b 10/27/1823 was an older sister of Abraham Sinnard JUNIOR b 7/5/1827, Aunt Hattie's father.
Mary Ann married a William Smith in 1840 and they had 5 children. Their first child was GEORGE
LEWIS SMITH b 6/18/1845 and he married Isabelle Cameron in 1880 and it was this lady that furnis-
hed Aunt Hattie with FOUR pages from the old Abraham Sinnard family Bible that had recorded on
them BIRTHS, MARRIAGES, DEATHS of a number of Abraham's and Mary's children

Isabelle Smith also enclosed an old DEED or INDENTURE as it was termed. It was for Lot
#18 in New Richmond, Clermont County, Ohio. Abraham Sinnard (Sinnerd) received this Deed Aug 5, 1811.
Also she sent several pages of an old note book 4X6 1/2 inches. On the first page of this note book
was recorded the information I showed at the top of this page italicized. On other pages of
this old worn note book were the cost figures for improvements that were used in the construction
of the home on Lot #18 as mentioned in the old Indenture. The English POUND was the monetary
system used. The spelling and terminology I think are very interesting-- the improvement of lot
number 18 beginning July 20, 1815- timber hewing and hawling-plank and hawling-shingles and
hawling-nailes- hawling stone and mason work- brick hawling- lime and laying up- glass and
setting- aban for the chimney (aban is what ???)- laying upper floor - chinking and plastering-
carpenter work- harth etc. Some names noted in the book were Scott Martin four dollars
in Deposit the above redeived.-- D. Miller & Ponkepille cost 1135 (???) Y. Pearce & Kirkpatrick
cost 8629-- John Connell 39, 41, 39, 12, barrels of corn-. There was a list of 14 barrels
of corn showing their weights and they pertained to a WAGNER-- lists of supplies were also
entered in this little note book including hams, venison chees, bread potatoes, coffee,
shougar (sugar of course) The name Claywell was mentioned in the list.

When Aunt Hattie Sinnard Pashley realized I was interested in GENEALOGY she wanted me to
have the above mentioned papers to help piecing the Sinnard tree. She gave me some old lette
written 1925 to 1926 from people she had corresponded with in regard to Sinnard name and a few
notes she had written opinions on herself.

WE HAVE NOT YET PROVEN who were the parents of Abraham Sinnard b 1791 Kentucky
We know that Abraham had a brother named WILLIAM SINNARD born Feb. 20, 1785 in PENNSYLVANIA
Families were large in those days and likely these two brothers had sisters and brothers. We
are very much interested in finding this out too.

Both Abraham and William had large families- TWELVE children each. WITH THE HELP OF MANY
PEOPLE MUCH INFORMATION of both brothers has been acquired. The Abraham family requires 13
legal size pages to outline; and William's family takes 20 pages.

On May 16, 1796 Abraham being 4 yrs old, likely accompanied the Sinnard family when they
moved to Clermont County, OHIO, a distance of approximately 45 miles. It was known at this time
as the VIRGINIA MILITARY DISTRICT. Among prominent Revolutionary War soldiers receiving allot-
ments of land were Generals George Washington, George Rogers Clark, and Daniel Morgan. General
Washington's tract amounted to 3,051 acres in Clermont County. We haven't as yet checked the
records of this area to learn if any of the Sinnards' were allotted land. On page #2 I showed
the Militia (Penn) record of THREE Sinnards (various spellings)- THOMAS, JOHN, ABRAHAM. -- I feel
STRONGLY THAT THOMAS might be our Abraham's father; for it was THOMAS that was in Bourbon County
KY. in 1792 and 1792

The land immediately to the west of VIRGINIA MILITARY DISTRICT was called CONGRESS
1798-1801 LANDS. Ohio was admittled to the Union March 3, 1803 being the 17th State. There
were MANY Sinnards (variant spellings) in this south-west OHIO locality in the period of
1790- 1850 in Butler, Clermont, Warren, Greene, Hamilton, Montgomery, and Clinton Counties
This section of Ohio is termed the Miami Valley and is flat fertile land along the Miami River
which empties into the Ohio River just west of Cincinnati.

When Abraham was a little over nineteen years old he married MARY ANN LEWIS Sept 2, 1810
She was Abraham's cousin^{2nd} and was born also in Kentucky on May 22, 1792. The wedding took place
in Clermont County Ohio, and Reverend Silus Hutchinson officiated. Mary Ann Lewis was the
daughter of a JOHN LEWIS, and Aunt Hattie had been informed he had served in the Revolutionary
War.

Mrs. Ellen Druery of Louisville, Nebr. a descendant of William Sinnard (Abe's brother) sent
me a copyrighted Record of "S" pages of Clermont County Records and it reads:

SHUMARD, Abraham	married	MARY LEWIS	2 Sept, 1810	1800/1821
and the next name listed was:				PERIOD
SHUMARD, SAMUEL	married	ELIZABETH CONRAD	- April 1807	

the Warren County, OHIO copyrighted Record shows:

SINARD, WILLIAM married MARY CHATTORUN 24 December 1809 (The correct spelling
is MARY CHADBURN

Thomas J. Sinnard the first child of Abraham and Mary was born June 12, 1811. According to
Aunt Hattie Pashley as she had been told his full name was THOMAS JEFFERSON SINNARD. It could
well be that this is true. Seems like many pioneer families named their children after well
known people. Thomas JEFFERSON was in the "limelight" at this time, ~~was~~ served as our 3rd
President from 1801-1809. We have no proof but in all the sources I have checked out the name

10-10-1918

Sinnard
was always recorded Thomas J. In 1849 he HOMESTEADED 240 acres of land in Warren County, IOWA and the records show Thomas J., his tombstone and in fact all the recordings in Histories etc read Thomas J.

The War of 1812 came soon after the arrival of Thomas J their first son.

Abraham enlisted in Capt. Wm. Mc Means Company on the 7th of August 1812. This was Colonel Suttins Regiment. He rendezvoused at Cincinnati, Ohio and marched out to Urbana, Ohio there he joined General Tupper's Brigade and marched to Piqua, Ohio to guard a treaty with the Indians after which he was ordered to Fort Barber and then discharged on the 11th day of February 1813. It was not until 1853 or 1854 when he received a Land Warrant for this service. He likely exercised this grant while living in Wapello County, Iowa. I hope we can learn this and other things from records in the county-seat at Ottumwa, Iowa

In the 1815 to 1817 period the evidence on page #3 shown in the Indenture and old note book about the Lot #18 and materials used, makes us believe they were living in New Richmond, O. This Ohio River town is approximately 30 to 35 miles from both LEBANON in Warren County, O. and Hamilton city in BUTLER County. It was in these two communities where our strain of Sinnard's were living.

In 1819 the Miami Valley was plagued by an unusual weather condition. An exceptional wet spring was followed by an unbearable hot dry summer and fall and well into the winter and caused much sickness and many died or moved from the area.

The plague might be the reason for their move to Illinois on Oct 14, 1819. Many settlers were headed on to Indiana and Illinois at this time. The first four children of Abe and Mary were born in Ohio - Thomas J. in 1811, John Lewis Sinnard 1813, Eliza R. 1815, and William 1818.

Many moved by boat or rafts down the Ohio River to the tip of Ill., then up the Mississippi to St. Louis, Hannibal, Mo and other towns. One branch of Sinnard's we know for sure took the river route to Brunswick, Mo. on the Missouri River. Our Abraham and family could have taken pretty much this route only it would have been up the Illinois River to the fork of Sangamon River, that runs not far from Pleasant Plains. In checking Abraham's record in Springfield it appears that from 1822 to 1828 he was active in politics confined to Richland Township.

Sangamon County was formed from a part of Madison County in 1821. Illinois was not yet a year old when Abraham moved to the State.

Cartwright Township and Richland are in the far north-west part of Sangamon County, and possibly 10 to 12 miles from Springfield. It was here on a farm between Petersburg and Springfield, on the State Road that Abraham lived and raised his family. He operated a flax-mill in connection with his farming. This locality is just a little south of NEW SALEM, Ill. where Abraham Lincoln lived before going to Springfield and later on to Washington as President.

Aunt Hattie Sinnard Pashley wrote the following in her Autobiography---" After the death of my great grandmother's second husband, the old lady came to live with my grandmother where she was in the eyes of her grandchildren, a remarkable woman, who remembered her as one absolutely without fear. I remember one story of hers in particular, told to me in my childhood which impressed me greatly and which was probably built upon a very meagre foundation, the story goes, that one evening as the family gathered in the candle light to pass the time before the retiring hour in exchanging stories of adventure and bravery, my great grandmother, who was described as weighing ninety pounds, a woman with piercing black eyes and black hair, and who at this time was about eighty years old, said " I wouldn't be afraid if a snake should drop down from the rafters at my feet. I'd stamp it to death". As she spoke, a huge black snake uncoiled itself, and dropped from the rafters, fell at the old lady's feet; and we were told that she did jump up and stamp the reptile until it lay dead upon the puncheon floor.-- she continues " I think this story should be taken with a grain of salt, but it served in our childhood to instill into us some idea of courage, and perhaps made us try to emulate in some degree the bravery of our little ancestor.

The Autobiography continues--" My grandfather's family was a large one. Aunt Hattie's father Abraham JR was born 7/5/1827 in Sangamon County and was the ninth child. In order to keep his sons busy grandfather operated oil mills on the farm for the manufacture of flaxseed oil. He also had a skill as a builder, and my father also received training not usually given to boys, which came about in this way. When he was a child of eight or nine he was afflicted with a skin disease which made it impossible for him to wear clothing suitable for school, his garments consisted of loose, soft linen or " tow linen", as it was called in that day. This of course, made it necessary for him to stay indoors, and my grandmother to keep him amused and interested taught him to perform tasks usually assigned to girls. He learned to cook, to cut garments, -- to sew, and to crochet, or "hook" mittens.

"During father's childhood, Abraham Lincoln, then a young lawyer, was a frequent visitor at grandfather's house, stopping over night. On these visits, the cabin sheltered three ABRAHAMS, for my grandfather was named Abraham, and also my father.-- I have a faint remembrance of this grandfather as a kindly, benevolent old man, very fond of his children and especially of the grandchildren. Grandmother died before I was born, but from the older members of the family, I gather that she was a stately woman of strong character and much respected and loved by her children."

Just to the north of Pleasant Plains area , Lincoln's community of NEW SALEM was reconstructed a number of years ago. The log houses, stores post office, and other buildings are built on the same foundations as the original buildings. In my opinion it is one of the historical shrines in our country and suggest that those with SINNARD blood in their veins should walk thru these grounds.

Our Abraham was a "Whig", and afterwards a Republican in politics..The first marriage in Sangamon County after the organization of the County performed by ABRAHAM SINNARD on April 20,1821 for William Moss and Peggy Sims. Abraham was Justice of Peace by virtue of a license issued by Chas. R. Mathny, County Clerk.----- Some of the Sangamon County records show his name spelled Sinyard, Sennerd, Sinard; and the 1850 U.S. Census in Iowa(Wapello County) showed it SYNARD.-----The following information might be of interest to some:

Abraham appears on THREE Census Reports when he lived in Illinois as follows:
1820 MADISON COUNTY Abrahama Sinnard 1 male 21 and over and 6 others
1830 Sangamon " Abraham Sinnard - the count of children and all ages tallied out
1840 " " Abraham Sinard " " " " " " " " " "

Recall Abraham Sinnard had a brother WILLIAM Sinnard born 2/20/1785 in PENNSYLVANIA. He was eleven years old when the family moved to Ohio from Ky. I found and checked out the 1820 Census of Turtle Creek Twn, town of LEBANON, County of Warren, OHIO report and found the report tallies out in regard to his wife Mary and the then living children- HOWEVER there was a female shown on the census over 45 years of age.

I do not have the 1830 Census report. (likely he was in Warren County,OHIO then.)

WILLIAM Sinnard b1785 and brother to Abraham MOVED TO ILLINOIS in 1835 and is found there or

1840 Sangamon County. William SENARD-- the count of children still unmarried etc. tallies out
HOWEVER there is a female listed in the 80 to 90 year bracket
Likely this older woman is the same person that appears on Williams Census report back in Ohio in 1820.

If you will recall on the previous page Aunt Hattie Sinnard Pashley in her Autobiography mentions her great grandmother being a member of a Sinnard household. This person just might be the MOTHER of William 1785 and our Abraham 1791 The 1850 Census for William Sinnard in Sangamon County does not show this elderly woman; other members tallied out.(Wm.died1856

In 1845 Abraham moved to Wapello County, IOWA. Two sons Thomas J. and John Lewis Sinnar had preceeded him there.(Iowa became a State 12/28/1846) There had been a treaty with the Indians made in 1842 which forbade the use to white men. On May 1,1843 the land was "thrown open" so actually there was really"no first settler."

He located in the north-west corner of Wapello County,Kirkville,Eddyville area close to the Mahaska County line. Previous to 1841 the country was in primeval condition. J.P. EDDY in 1841 was permitted by the Government to lay claim to 640 acres. He was an Indian trader and brought with him several artisans. He came from WARREN COUNTY, OHIO, where many Sinnard's lived.

Aunt Hattie Sinnard Pashley, daughter of Abe JR b1827 , told me that her father and his brother Cyrus b1825 had charge of moving the livestock and horses to the new Iowa . They followed the family and had to ford streams. I do not know if Abraham and Mary came up the Des Moines River by barge or boat, or if they came by wagon..

Mary, Abraham's wife died January 9,1858. All but one of their children that had reached maturity were married. It was Alice Jane born 1830 still single that took over the responsibility of running the home. After her father died she went to live with her nephew George Lewis Smith and his family at ULYSSES, NEBRASKA. It was Alice Jane that took the old family BIBLE with her, and as I said earlier it was George Lewis'sSmiths wife that sent the Birth,Marriage, Death; the old Deed for the Ohio home, and the notebook with Abe's birth and movement to OHIO, ILLINOIS dates recorded; and the cost of materials that went into the house etc.

Abraham appointed John Kirkpatrick Executor of his estate. Mr. Kirkpatrick was b. in Guernsey County, O 8/25/1808 (eastern part) He moved to Vermillion County Ill. when 26, and from there to Wapello County, Ia in 1844 He had four children, the oldest Mary Ann b1832 married Abrahams 8th child a son Cyrus. -Cyrus and Mary had one child Charlotte born 1852. The Mother died leaving Charlotte who was raised by her grandfather John Kirkpatrick. Charlotte married a Mr. -- Mc Carroll.

The Pension and Service record of Abraham Sinnard (War of 1812) I thought interesting. The name was spelled Sinnard and also Sinard in places. Government correspondence with the Executor John Kirkpatrick reveals they wished to know if expenses could be met for his death. The reply was that the Physician Dr. D.C. Duesinon (Sp???) bill was \$14.00 for medical aid rendered during last sickness, also coffin was \$18.00 that the executor had paid the same from his estate, and decedent left sufficient means to liquidate the expense of his last sickness and burial expense. The Pension for his service in the War of 1812 was \$8.00 mo. Certificate #10615

Abraham died July 27, 1871 being a mo. over 80 yrs of age. Abraham and Mary, their 8th son Cyrus and Cyrus' first wife Mary Ann are all buried on the same burial lot. This Kirkville cemetery ground had been furnished by Jno. Kirkpatrick. Many early settlers are buried here. Abraham has a metal military marker besides their headstone - and Cyrus has a Gov't stone marker. He was the only member of the Abe Sinnard family that served in the Civil War.

ABRAHAM YOU CAN SEE LIVED QUITE AN EXCITING LIFE. Born in a territory of Virginia before it became KENTUCKY. moved to what is now OHIO seven years before it became a State 3/1/1803 Entered ILLINOIS when the State was less than one year old, settled in IOWA in 1844 or 1845 when still a territory. Iowa became a State 12/28/1846

THE ABOVE INFORMATION ABOUT THE FAMILIES OF THE TWO BROTHERS - just gives Birth, Death, Marriage, number of children ETC. If you recall I mentioned in the middle of page 3 we have acquired 13 legal size pages on ABE's family and William's - required 20 sheets. IT took the COOPERATION OF MANY to acquire and all concerned are anxious to SHARE with the others.

Rebecca (Sinnard) Gose b2/7/1847 granddaughter of Abraham 1791 KY (she was a daughter of Thomas J. Sinnard b1811 Ohio), was interviewed by Aunt Hattie Sinnard Pashley her cousin about 1925. -- Rebecca remarked that her grandfather Abraham had a brother WILLIAM that had lived in Illinois. In the notes nothing was mentioned if they had brothers or sisters, and nothing was written about the parents of Abraham and William. Rebecca did mention a ISSAC NEWTON and Aunt Hattie jotted it down, the inference was that he was her older brother who had died young, following his name was shown Rebecca's b1847, then Taylor b1848; followed by Philip b1851, and Julina b1854 who died in 1855. (Julina is buried in Sandyville, Ia cemetery with her parents, and her grandfather Philip Lambert, her Mother's father. -- IT WOULD BE INTERESTING TO KNOW WHERE ISSAC NEWTON is buried, also PHILIP LAMBERT's wife (Sarah WAGNER LAMBERT I would think back in Kirkville, Eddyville neighborhood. (Philip's wife died around 1843)

Aunt Hattie received a letter in 1926 from the widow of Milton Alonzo Sinnard b1858, Milton was a grandson of WILLIAM SINNARD 1785 Penn. She remarked in the letter --- "I think my husband's great grandfather served in the Revolutionary War, and some of his folks served in the War of 1812. We know our Abraham Sinnard served in the War of 1812, and we have the record of a THOMAS SINNARD of Lebanon, Ohio who also served in the same Brigade -- I will mention this later. (Milton Alonzo Sinnard was the first son of Benjamin Franklin Sinnard b1824 Lebanon Ohio, who was William Sinnard 1785 eighth child.)

PIECING THE UNKNOWN FACTORS TOGETHER-- We are most anxious to assemble
POSITIVE PROOF for the earlier generations. We have MUCH CIRCUMSTANTIAL .

We know for sure ABRAHAM b 1791 Ky. and William b1785 Penn were brothers.
We do not know who were their parents and neither do we know if they had
brothers or sisters.

By DEDUCTION I rather feel that a THOMAS SINNARD was the father of the brothers. He was
the fourth son of JOHN & ELINOR SINNARD of YORK COUNTY, PENN. mentioned on page 1. He was in
Bourbon County, Ky. in 1791 and 1792 according to the TAX Records- In the 1791 Year the name was
spelled SYNNARD (, take out the y and insert i) in 1792 it was recorded SINYARD. Our Abe over
his 80 years had spelled the name this way., besides Sinard and Sinnard etc

I am going to outline below a "TREE" showing the generations from left to right as they
MIGHT BE; the left three columns are still questionable,

GENERATIONS

1.	2.	3.	4.	5.	6.	7.	8.	9.
NO NAME SINNARD	John & Elinor SINNARD	Jonathn Abraham John THOMAS William	Abraham 1791 Ky. BROTHERS William 1785 PENN.	Thomas J. 1810 Ohio William James 1819 Lebanon Ohio	Taylor Winfield 1848 Iowa William Thomas 1849 Christian County, Il.	Thomas J. 1873 Iowa Chas. McKinney 1879	Herbert R. 1903 Ill. MY BROTHER MTS '04 Willis Henry 1908 Boone County Nebr	Thomas J. 1935 Oregon. Thomas Edward 1928

I have just shown in the 4th thru 9th generation the first MALE CHILD. If you keep this
in mind I feel you will have no problem in following your lineage when comparing with the
detail sheets of the two brothers Abraham and Wm. (4th column.)

THOMAS looks most logical of the five brothers in column 3 to be the father-- We know
of course that JOHN and ELINOR are the parents of the five boys shown in Column 3 and their
six sisters.

On pages 2 I commented on the possibility of the man in column 1 MIGHT be Abraham .
John made provision for him in his Will--- The 1780 TAX Report of York County, Penn. showed TWO
ABRAHAM's and after that year only one Abraham showed on the TAX list. Still he could be
related differently. (page #2)

SOMETHING about the LEWIS FAMILY- Recall, our Abraham b1791 ~~and his brother b1785 Penn~~
was Mary Ann Lewis. This woman's Mother was mentioned in the lower half of page 4, but not
by name. (See also lower half of page 3.)

Aunt Hattie SINNARD Pashley received a letter from a Colonel Ben La Bree in March
1926. She had contacted him to learn about Abraham his wife Mary etc. He was Registrar
of Kentucky Society Sons of the American Revolution, Louisville, Kentucky. His address at
the time was Bardstown, Ky.-- He was an Historian, Genealogist and was CURATOR for MY OLD
KENTUCKY HOME, Bardstown Ky.-- Pertinent parts of this letter in regard to the Lewis's follows:

" It will be a proud day for you if you can connect with the line of Marvin H. Lewis
I made an extensive research for him in Virginia and Kentucky. I found for him about seven
Revolutionary War and seven or eight Colonial War Ancestors.--he mentions Franklin,
Bourbon, Nicholas, Fayette, Washington, Morgan and some others---"In the Kentucky Counties
mentioned I find JOHN, THOMAS and a JAMES LEWIS who were in the Revolutionary War, also a
Matthew Cummins who was in the War-- an ALICE LEWIS MARRIED A JOHN CUMMINS in 1794. and
JOHN LEWIS MARRIED ALICE JONES IN 1792 and a FRANCES LEWIS MARRIED a WILLIAM BRUCE in 1792.--
From the fact that the three married so close together they may be brothers and sisters.
I think a research will develop much for you"-----

He ended by saying the cost would be \$110.00 and remarked send me \$90.00 to cover
my expenses the balance you can send me when I send the report.-- As I recall Aunt Hattie
discussed this with my folks. He was not engaged as times were difficult,-- father had both
my brother and myself in college, he was doing without a car, and had a large mortgage on
the Iowa land at a high rate of interest. As we look back at this time, the MONEY SHOULD
HAVE BEEN PAID OUT for it would sure cost a lot more today; in our present affluent times.

9.	ELLSWORTH SINNARD b.? d.July 1899 NEVER MARRIED- Buried, Chillicothe Mo			

Ruby Baugh, his grand-daughter wrote me she was quite sure his full name was William ARMSTRONG Sinnard. The Bible record shows, just A. I understand.

Loyd Sinnard, a grandson recalls his father and Uncle Theodore speak of Allegony Mountains, and Lancaster County, Penn. He felt his grandfather came from the Pittsburgh vicinity. He thought they came by River route, down the Ohio River to Cairo, Ill-then up the Mississippi to Hannibal, Mo. They likely took the water route again when they went further west up the Missouri River. Loyd informed me that William and Elizabeth purchased a lot in 1870 in Bedford, Mo. Bedford at that time was a boat terminal from Brunswick, Mo. on the Missouri R. Loyd recalls as a small boy it was a great tobacco center, with many tobacco sheds standing.

Loyd did considerable research learning many things about his grandparents and some other SINNARD'S etc. On Sept. 23, 1870 William A. and his wife Elizabeth deeded to E.A. BRADLEY in Graves & Leaper addition a Lot in Chillicothe, Mo. The record shows he owned land 3 miles east of Shoal Creek July 14, 1870. Loyd recalls the river bridge crosses GRAND RIVER at that point, a large two story house stood there. His father told him people by the name of FINLEY had lived in the house. (Loyd's grandmother Elizabeth's maiden name was Finley) William and Elizabeth bought lots in July 1871 and records show Elizabeth sold property Feb 15, 1881 which indicates William likely passed away between 1871 and 1881.

Loyd also learned at the Court House that a THOMAS SINNARD married an EVALINE BLACKMAN Oct 22, 1863 Recorded Jan 9, 1864 (MTS wonders if her name might have been BLACKBURN)

Loyd found in the Probate Court Record of CARROL COUNTY that a NANCY SINNARD was heir to THOMAS ARNOLD estate 1838--- William Sinnard administer for BLANKENBAKER est from County record. (Thomas Arnold princial Sp?? Geo W. Folger and Ed.V. Warren for Jane Arnold dec. Heirs are Thomas Anterry Arnold & NANCY SINNARD May 9, 1838) Carrol County joins ~~GLICK~~ LIVINGSTON COUNTY being just south.

Loyd found in Livingston Court House that THOMAS W SINNARD & EVALINE SINNARD, husband & wife deeded property to Eohn Dockery 1/5/1870 in northwest part of Livingston County,--Also a deed from MONTGOMERY COUNTY, INDIANA showed GEORGEANA R. SINNARD deeded the wife share of property to her husband JOHN C. SINNARD. The property was located 9 miles north and one mile west of Chillicothe, dated April 19, 1870

Giving some thought to the ALLEGHENY Census record directly above--WILLIAM & ELIZABETH and their first 3 children were living in Wilkins Twn (page 257) On page 267 an ELEANOR 68, John 35 and Margt 33 are enumerated in the same Township. I wonder IF she might be a widow, living with John & Margt, and IF she MIGHT be the MOTHER of WILLIAM ARMSTRONG SINNARD???? John an Margt could be man and wife, however the Census taker showed assets of John as \$1600 and Margt 2000\$ which makes one wonder, for usually the assets show as in the man's name. They could be brother and sister the assets inherited---???. How the others in this Pittsburgh area are related is another riddle to be cleared.

Loyd Sinnard, grandson of William Armstrong Sinnard furnished the information, earlier on this page.---Myrle T. Sinnard, the organizer of this material acquired the Census information above from Census films in the Chicago NEWBERRY LIBRARY. In 1965 I visited LEBANON, OHIO, and the WARREN COUNTY HISTORICAL MUSEUM and learned from D.A.R. (Turtle Creek Chapter) records the marriage records of the followin:

REBECCA SINNARD married EDWARD BRADLEY 4/7/1844	* Delia SINNARD married John Whitacre 6/2/1828
Margaret " " Jasper " 12/19/1841	* Mary " " Wm. McKy 5/29/1825
Ellen " " James YOUNG 1/23/1839	* Sarah C. " " Wm.H. Wikoff 12/24/1829

NOTE:-- Rebecca Sinnard married EDWARD BRADLEY--- I find this interesting for recall LOYD Sinnard discovered his grandfather and wife Elizabeth DEEDED property to E.A. BRADLEY. (It could be that REBECCA is closely related to WILLIAM A. SINNARD possibly sister and brother, BUT she resided in OHIO and William Armstrong came from Penn. (The Sarah C. Sinnard that married William H. Wikoff is the eldest child of a William Sinnard BORN 1785 Penn. This 1785 William is a brother to Abraham Sinnard b 1791 KENTUCKY from whom I descend--He is my great-great grandfather)

INTERESTING TOO: The 1800/1821 CLERMONT, COUNTY, OHIO marriage records reveal DELIA SHUMARD and is recorded in a SHUMARD GENEALOGY as spelled that way. It was interesting to me too that my great-great grandfathers marriage showed ABRAHAM SHUMARD To Mary Lewis Sept 2, 1810 also a SAMUEL SHUMARD to Elizabeth Conrad April 1807--- The SHUMARD "tree" told of Shumards living in WARREN & MERCER COUNTIES MISSOURI On the IOWA border and just north of LIVINGSTON COUNTY, Mo

WILLIAM ARMSTRONG SINNARD- INFORMATION pertaining to him.

Elizabeth Jane was born 1822 Penn & d. 7/26/1902- she is buried in Chillicothe Mo
and William A. Sinnard in Leaton Cem. Grand River Twn. in Livingston County, Mo

As early as 1764 there were SINNARD'S (variant spellings) in the area of
YORK COUNTY, PENN. (about 75 miles west of Philadelphia, and 35 miles north of Baltimore
Maryland) Following the Revolutionary War the new United States Government offered land
to War veterans and there was an accelerated movement about this period. In the case of my
great -great grandfather his parents lived in Penn. where we know his brother William was born
in 1785. Abe was born 1791 in Bourbon County, Kentucky, and by 1796 the family was living in
southwest Ohio likely in Clermont County. In 1819 Abe was married and had a family and they
moved to Sangamon County, Ill. His brother William followed in 1835.

It appears that the parents of your William Armstrong Sinnard, might have
stopped off in the Pittsburgh area rather than locate in south-west Ohio or Kentucky where
my Abe's parents tarried just a few years, before going to Ohio.

before

I have no knowledge where my ancestors located, getting to Penn. possibly Baltimore
Maryland or Philadelphia.

The SHUMARD FAMILY RECORD - I will quote parts-"These are the five brothers that
emigrated from Mt. Holly, New Jersey (15 to 20 miles east of Philadelphia) from 1797-1815

NATHAN-- SAMUEL-- DAVID-- FRANCIS-- THOMAS (SONS of a NATHAN SHUMARD b1771 N.J. & Anne
Shreve 1773 N.J.)

It might be just coincident but three of these names are repeated in your
William Armstrong Sinnard. family..(ALSO a WARREN SHUMARD)-a Sylvester Warren)

The record showed that THREE brothers WILLIAM, SAMUEL, and FRANCIS were
FRENCH HUGENOTS driven from France. WILLIAM came to America, and the five brothers
mentioned above are descendants.

Another interesting find I think is the following.

There was a JOHN Sinnard living in Kentucky. Tax records from 1796 to 1806 show him
living first in Bourbon County, Ky, then Montgomery and last in Harrison in 1806; it was
recorded Sinnard, Senard, and Sinyard at times. In 1808 he died leaving FOUR children in the
care of William Stafford Guardian. Evidently John's wife had died too. the children's names
were Sally, David, Betsy, and William.----- I have corresponded with a descendant of SALLY
and learned that she was born March 15, 1798 Harrison County, Ky.. She married JAMES R.
BLACKBURN Sep. 21, 1818 in Harrison County, Ky- they moved to Indiana. About 1840 they moved to
MISSOURI. They had 9 children. SALLY & JAMES are buried in JACKSON TOWNSHIP in LIVINGSTON
COUNTY, MISSOURI. Their second child was Mary Ann Blackburn b 4/13/1821 Ky. she married an
Ebenezer Neff, and MARY ELIZABETH GEORGE. of Gilman City, Mo. 64642 is a descendent and the one
that informed about SALLY and family. (GILMAN CITY is in the south east corner of Harrison
County, Mo. and about 30 miles or so north of Chillicothe.)

RECALL- the bottom of page #1 where SHUMARD'S are mentioned in HARRISON & MERCER COUNTIES, Mo
it sure would be interesting to uncover more detail and clear up a lot of questions.

Recall Loyd Sinnard, grandson of Wm. Armstrong Sinnard learned of a THOMAS W. Sinnard deeding
property in Livingston County, Mo--I found a microfilm of the 1870 CENSUS of Jackson Township,
Livingston County--page 46 and recorded Aug 21, 1870-- It shows Thomas 38 (born 1832?- Emaline 28
(born 1842?)- Emma 6 (born 1864?)- Edward 3 (born 1867?)- Sue 9/12 months. Likely the Census taker
was careless for he showed HER name EMALINE. Thomas's initial was not recorded but feel SURE the
Deeds and Census are of the same family.----- There is a 11 year interval between this THOMAS
who must have been born in 1832 in MISSOURI according to the Census taker, and William Armstrong
who was born 1821 in Penn. IT LOOKS OBVIOUS that these two Sinnards are closely related-I'd guess.

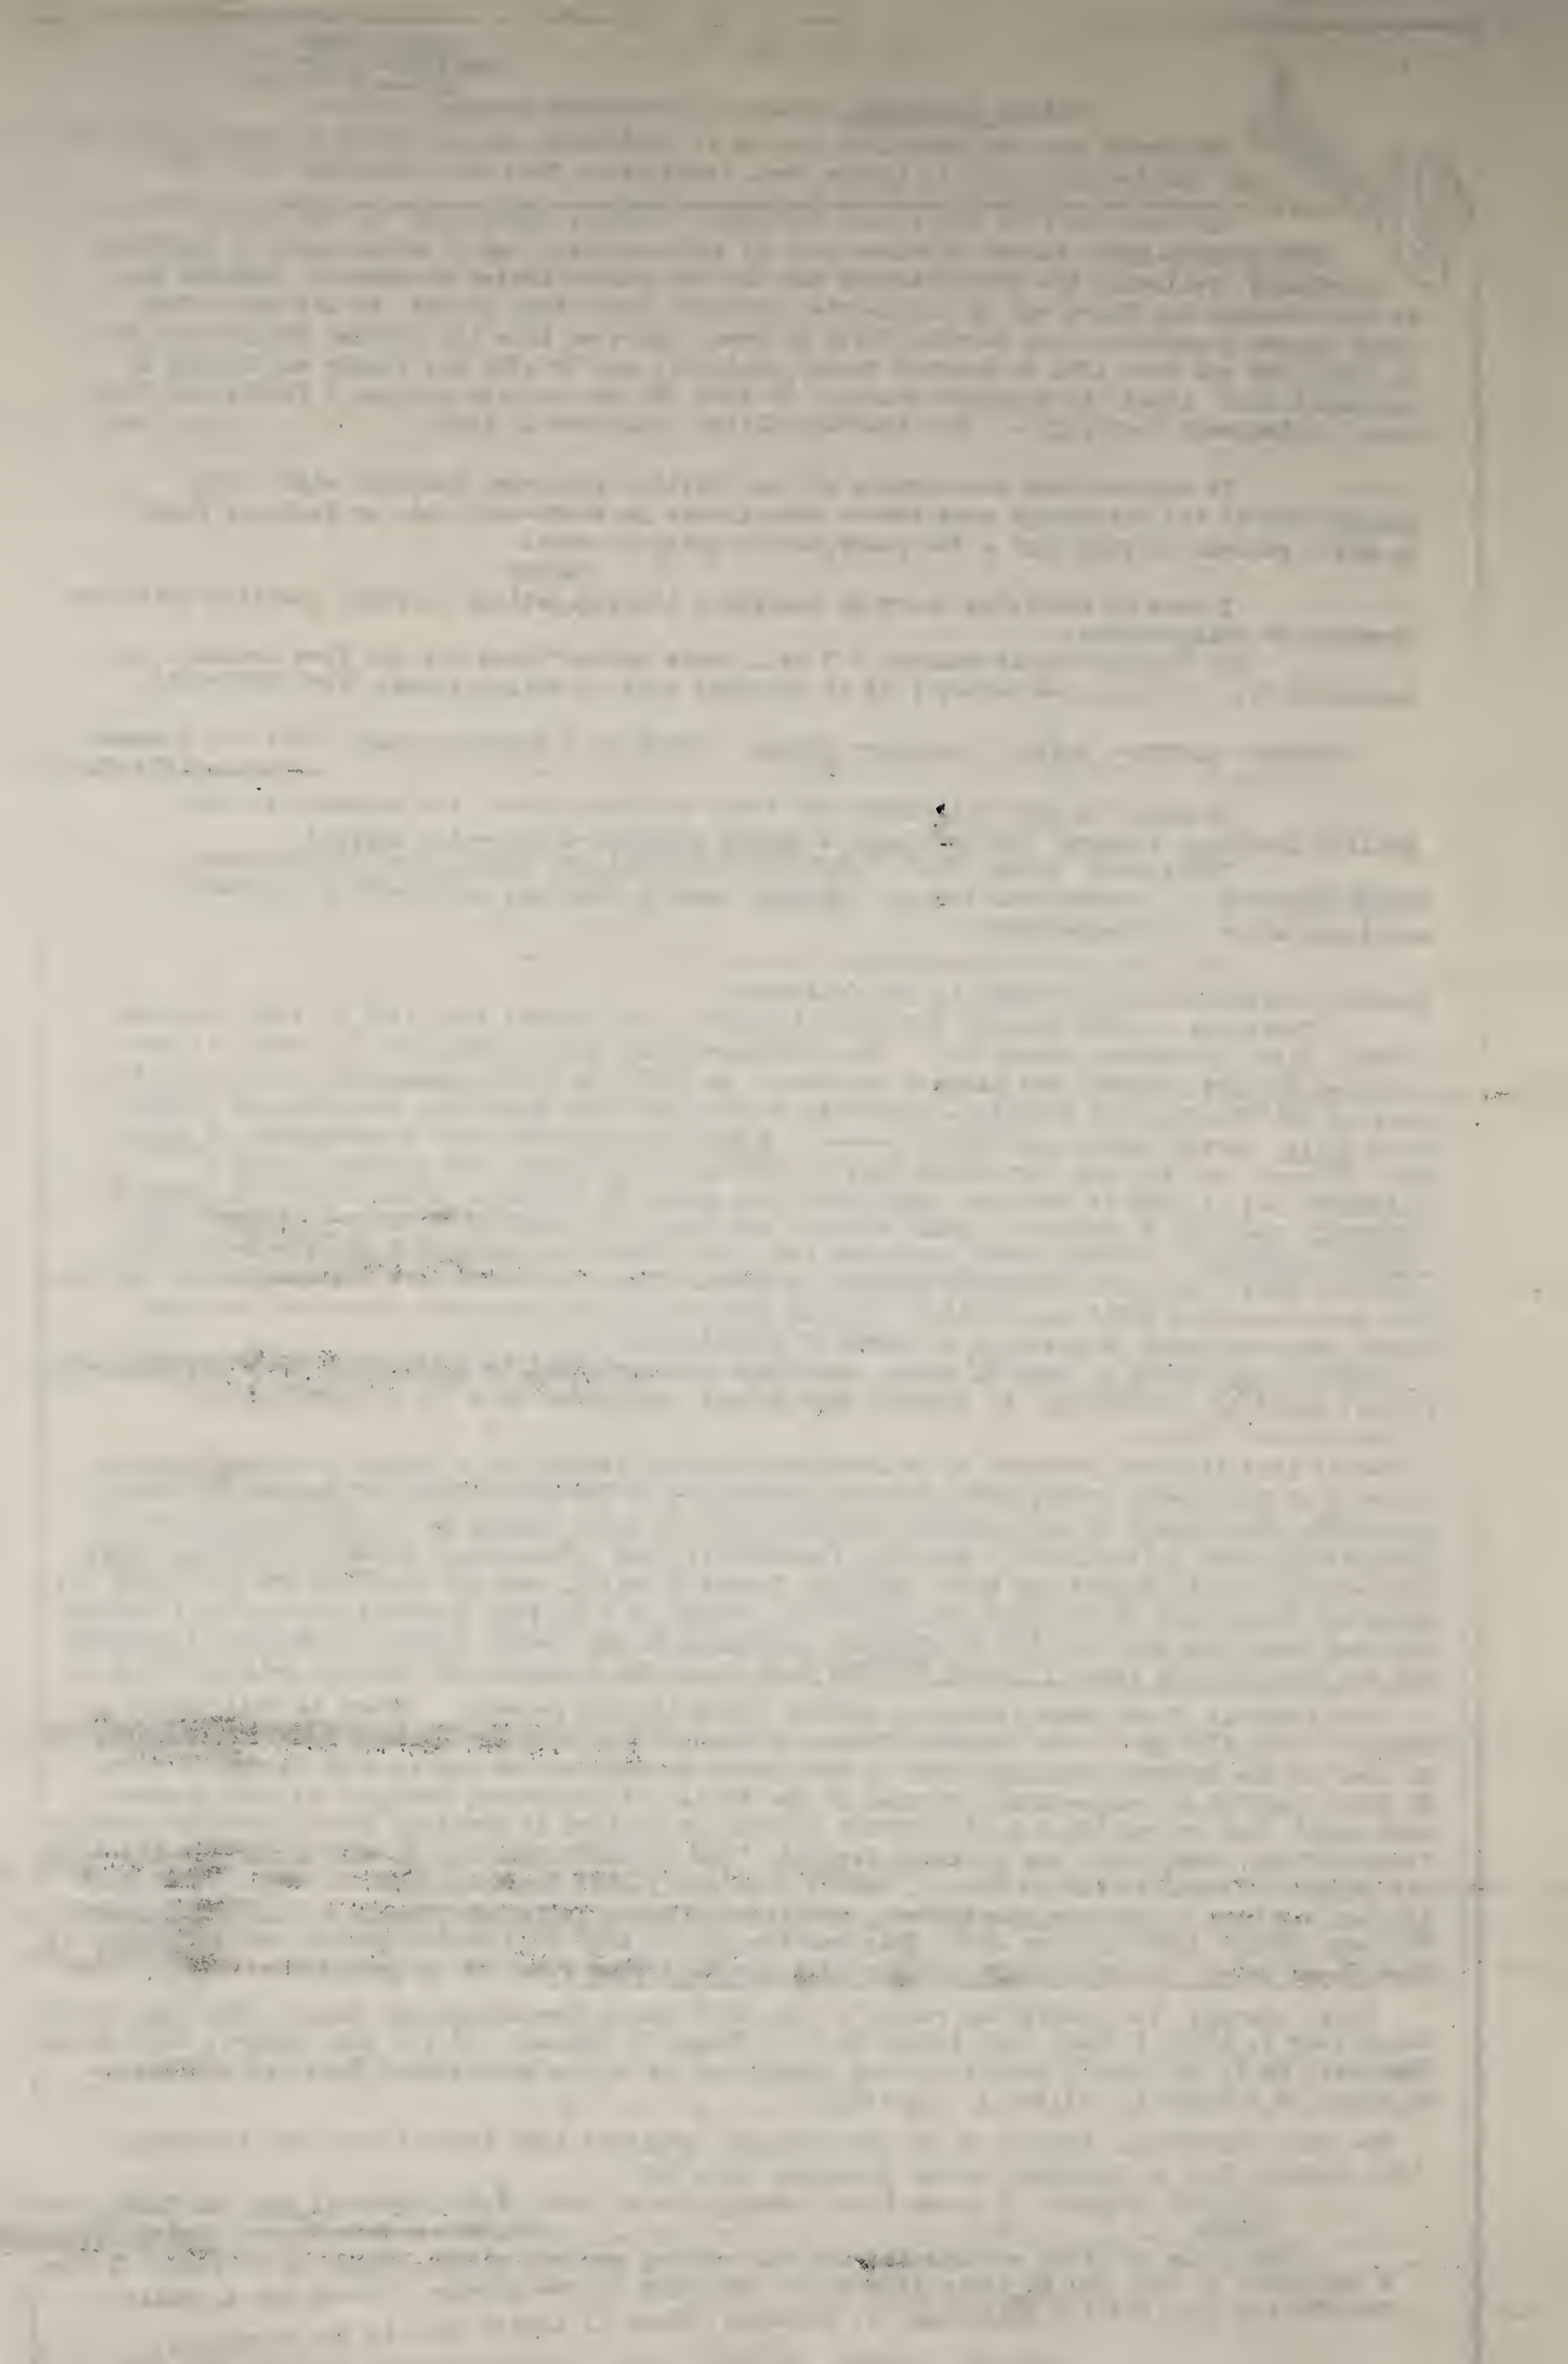

The initials T.W. were seemingly popular among Sinnard parents- There is this Thomas W.
Sinnard born 1832 Mo----- Another Thomas W. Sinnard was born May 19, 1834 Hamilton County, Ohio
He died at the NATIONAL MILITARY HOME of Montgomery County, Ohio at the age of 83 yrs 29 days.
HE NEVER MARRIED. He was severely wounded at the battle of Jonesboro, Georgia. We feel without
much doubt that he was the son of a THOMAS SINNARD who resided in Hamilton County, Ohio. Our earliest
record of his being there was obtained from his "War of 1812" records. He was married in Ohio 1815
His papers referred to him as Senior, and he died Apr 3, 1847 Hamilton, Ohio.----- The other T.W.
Sinnard was born in Mahaska, County, Iowa. His father Thomas Jefferson Sinnard b 1811 Ohio, named
his son TAYLOR WINFIELD born 1848. This was the War of 1848 with Mexico period, and he might have
been named after General Taylor and Winfield Scott. This T.W. is my grandfather.

While viewing the microfilm record of the 1860 Grove Township, Marion County, Missouri CENSUS
taken July 6, 1860 I found what looked to be a Thomas P. Sinnard 21 yrs old, farmer, born Kentu
Hannibal, Mo is the County Seat of Marion County and is on the Mississippi River as you know.
He MIGHT be related to William A. Sinnard.???

The State Historical Society of Mo.-Columbia, Mo furnished LOYD Sinnard with the following:
1860 CENSUS- City of Hannibal, Marion County, Mo page 763

WILLIAM SINNARD 32 Owned livery stable Val of R.E. 8,000 Personal est val 3,000
Maria " 6 30,000 (This figure seemed ???)

The place of birth was listed but the writing was not clear enough to be read-- I have
a photostat of this and it looks like either New York or New Jersey- there was a William
Bill 40 yrs old, Patrick Coliblack 21, Philamin Talman 21 listed also in the household.

I rather think THIS JOHN spelled in the various ways is likely the SAME PERSON and looks very suspicious that HE is the father of these four orphans, including SALLY. The early Kentucky tax records show a WILLIAM STAFFORD living and paying taxes in Montgomery County(Flat Creek) in the year 1797--- Harrison County,Ky for the years 1808,1809,1810. It is rather natural to think that possibly Mr. Stafford might have been closely related to John Sinnard(various spelling)- - possibly he might have been John Sinnard's father in law-- or he could have been otherwise related of even just a close friend.

Mrs. George made some comments about the family--JOHN the first son was famous as a "bushwacker" during the Civil War, and was shot by Ill. Company. He and his mother and father (SARAH & JAMES) are buried together. A story about John is in the OLD HISTORY OF LIVINGSTON COUNTY, Mo.-Historical revue (Mo) Vol 26 page 108 states that "John was one of Slacks men home on leave, and Union men surrounded the house, and in trying to escape he was killed"

Evidently SALLIE AND JAMES BLACKBURN moved to INDIANA from Kentucky where you note some of the children were born. Their first appearance in Missouri was in land records 1840

Mrs. George in her geneology search came across a THOMAS W. SENNARD in Livingston, County, Mo. Evidently this Thomas W. Sennard married EVALINE BLACKBURN on Oct. 22, 1863- She did not know who either was and wondered if I did. (M.T.Sinnard)

I saw the 1870 Livingston County, Mo CENSUS on microfilm several years ago and found :
on page 46 of Jackson Township the census taker on 8/21/1870 gathered this information:

Thomas Sinnard 38 male- farmer born in MISSOURI (He would have been born in 1832)
 EMALINE " 28 female " " " (she " " " " " 1842
 Emma " 6, Edward 3, and Sue 9/12 months old

REALINE MIGHT BE THE DAUGHTER OF JOHN, RANKIN, or WILLIAM BLACKBURN I am inclined to think.

LOYD SINNARD of Chillicothe Mo. found a record of a DEED of land in Livingston County, Ind in the names of THOMAS W. AND EVALINE SINNARD husband and wife--to John Dockery Jan.5,1870 M. T. Sinnard has copy of a THOMAS W. SINNARD'S CIVIL WAR RECORD- When enlisting he gave May 19, 1864 as his date of birth at Hamilton ~~County~~, Butler County, Ohio - he died June 1917- he stated in pension request that he was never married- he served in Co.F.69th Ohio Inf-wounded Jonesboro,Ga. CANE CREEK MONTHLY MEETING
Union County, South Carolina
1853

Cane Creek Meeting was located on the Tiger River, in Union County, in the west-central part of South Carolina. A meeting for worship was authorized by quarterly meeting held at Cane Creek, South Carolina, in 11th month, 1775. A meeting had been established at Padgett's Creek, in the same county, in 1774. These two meetings were attached to Bush River Monthly Meeting until 1789, when Cane Creek Monthly Meeting was established by action of New Garden quarterly meeting, which held the 2nd of 11th month, 1789. The committee appointed by the quarterly meeting to attend the opening, included John Sanders, William Stanley, Joseph Hlatt, Tristram Barnard, Darabos Coffin and James Thornburgh. - 7 Ohio 1830 1840 by his son

Case of the women friends who were early members of Cane Creek Monthly Meeting, (names taken from the first pages of the women's minutes) included Keziah Bray, Elizabeth Comer, Elizabeth Smith, Martha Cook, Mary Cook, Prudence Cooper, Tamar Cox, Margaret Edmundson, Rebekah Fincher, Hannah Hlatt, Lydia Hlatt (Hlatt), Margaret Hunt, Sarah Lamb, Mary Marshall, Mary Thomas, Rebekah Whitson, Esther Parnell, Sarah Russell, Masse Sanders, Hannah Smith, Olive Smith, Mary Tolboe, Phoebe Whitson, Dinah Wilson.

Only a few certificates of removal were received and issued by the meeting between 1789 and 1803. In 1803 the migration to the north-west began with a few families, who received certificates to Westland Monthly Meeting, Pennsylvania. In 1804, a few more obtained certificates to Westland Monthly Meeting, Ohio. The migration became general in 1805, when more than twenty certificates, most of them for families, were issued to Miami. Four more were recorded in 1806. Three others, dated in 3rd month, 1807, but not recorded in the minute book, were received at Miami.

Then the people of Cane Creek Monthly Meeting removed to Ohio, they took the records with them. The book of records of births and deaths was continued in use by Caesars Creek Monthly Meeting, Ohio, and remains in the possession of that meeting to this day. Caesars Creek Monthly Meeting was largely made up of former members of Cane Creek Meeting, South Carolina. The minutes of the marriage records and the minutes of the women's meeting were returned to Cane Creek Monthly Meeting after more than one hundred years. The book of minutes of the women's meeting has not been found.

A copy of the Cane Creek-Caesars Creek birth records, containing also much collateral data, was sent by the late Kirk Brown, of Baltimore, is now in the care of North Carolina Yearly Meeting. This book there is reproduced on the following pages all material which appears to have been in the original record book before it left South Carolina. Later births and other records, stated in 179 years to complete these family records begun in the South, have also been included. To insure accuracy, all this has been checked with the original book, at Caesars Creek. Following these extracts from the birth records is an abstract of the women's minutes and the marriage records.
